**Sock It To Me:** Local Men's Prayer Group is assisting St. Peter/Paul Parish in S. St. Louis which ministers to the homeless in that area. Ask for donations of New socks, and underwear. Also, in need of gloves, long underwear, or sweatshirts "New or Used" that you might want to clean out of your closet.

**MEALS ON WHEELS VOLUNTEERS:** If you have volunteered for January, please note the schedule on the bulletin board in the church.

**Altar Society Notes:** A **BIG THANK YOU** to all who supported us on our Annual Christmas Cookie Sale by bringing cookies for us to sell and for those who purchased them. We took in \$923.00. **Thank you everyone!!**

**Food Collection:** The Altar Society is collecting nonperishable food donations for the DePaul Society Food Pantry. Please see our containers at the Front and north side doorways. This stays in our community.

**The Prayer Trees:** The Prayer trees are located at the front and north side doors of the church. If you know of someone in need of prayers; sick, nursing home, in the military, etc. please put their name on a tag, put it on bell and put on the tree. (If no bells left just put tag on the tree.) This way the whole parish can keep them in our prayers this holiday season and always.

**Dear Parishioner, On Sunday, January 21<sup>st</sup> after the 8:00am Mass; I found the Holy Ghost rectory had been unlawfully entered and the collection from the 5:30pm Mass had been taken. This includes anything that was put into the collection basket on Saturday evening: Masses, envelopes, loose, etc. Please be alert that those checks should not be cashed. At this time the Jerseyville Police Department has made a report. If you have seen anything that you feel suspicious at the church, in the hours between the end of the 5:30pm Mass on December 20<sup>th</sup> and the end of the 8:00am Mass on December 21<sup>st</sup>, please report it to the Jerseyville Police Department. Changes are being made to prevent an intrusion, such as this, from happening ever again. - Father Hembrow**
