School Speak: Please log into your school speak account now and make any changes that need to be made. Make sure you hit the update link to make the changes. If you have no changes or have made any in the past 2 wks, please just click on any of the update links. Once you do this, we will receive an email and we can remove your name from the list of people who will need to stop by the computer lab on regis. nights. We will be sending out several reminders over the next couple weeks. It is easier for us to send the reminder to ALL so please do not panic if you get several emails about this. By going in now, it will make registration night go a little quicker for you.

Lunch Money/Latch Key Money: Due to past problems with checks that we received registration nights being returned, we will NOT accept any checks for lunch or latch key bills on registration nights. We had been running this to let you know for several weeks before school let out but we wanted to send this reminder. Make sure you have cash to cover these charges. You will not be able to register your child/ren until all charges are paid for.

Meals on Wheels: Holy Ghost Church will be delivering meals in August and the first week of Sept. The volunteer time this will take is approx. 1 hr. (10:15-11-30). If interested in helping, please contact Hope Gibson 618-823-6381.
