Decision? Abortion is not about "a woman making a decision about her own body". The child in the mother's womb is a separate, human being with its own heartbeat, DNA, blood type & finger prints.

2016 Technology Fund Drive: This year's goal is \$22,500. Fund Drive will begin May 21-22. Thank you for your generosity!

Thank You All, who took part in the 2nd Annual SF/HG Technology Fund Golf Tournament. With the out pouring help & donations from Terry & Denise Hansen of Wolves Crossing Golf Course, Their Staff, Corporate Hole Sponsors, Family and Friends we were able to generate \$5431 for the Children of SF/HG & the Technology Department. These funds help to support and advance the equipment required to keep up with this fast pace & constant change in curriculum. On behalf of SF/HG, Thank You for you continued support.
