**Message From Fr. Steve:**

It has been brought to my attention that some emails were sent to our Bishop and Vicar General concerning some pastoral changes that I have initiated in our parishes. I apologize for any frustration or inconvenience that these pastoral changes have caused. My intentions are to build upon the good work of Fr.Hembow and Fr. Gibbons. I pledge to do my best to collaborate with a broad section of parishoners, and always strive to build consensus. I am honored to be your pastor and to share in ministry here with Fr. Smith, and to continue to serve as such. It is my hope that you will find Fr. Smith and myself receptive to any concerns you may ever have. With our praying for one another and support of each other, we can continue to build up God's Kingdom in Jersey County. Staff from our diocesan pastoral center are helping me put together a team that will help us facilitate a fresh start and better lines of communication. Let us continue to pray for each other.

In Christ's Love,

Ft. Steve
