Census Forms: Holy Ghost and St. Mary's goal is to have a census form on each family of the parish. So far, census response has been good. St. Mary's has an 80% return, Holy Ghost 65% return. Special attention is placed on the 11 census forms from families with kids in our school still out. Not having a form turned in will result in "non-parishioner" status with the coming school year. FYI All parish families with children in our school receive envelopes. Please make every effort to get a form turned in. This office will be conducting phone calls to try to achieve a 100% response to the census. Please call this office if you need a form or need to make changes. Thank you so much for your cooperation! 498-3416
