**School Speak:** Please log into your school speak account now and make any changes that need to be made. Make sure you hit the update link to make the changes. If you have no changes or have made any in the past 2 wks, please just click on any of the update links. Once you do this, we will receive an email and we can remove your name from the list of people who will need to stop by the computer lab on registration nights. We will be sending out several reminders over the next couple weeks. It is easier for us to send the reminder to ALL so please do not panic if you get several emails about this. By going in now, it will make registration night go a little quicker for you.

**Lunch Money/Latch Key Money:** Due to past problems with checks that we received registration nights being returned, we will NOT accept any checks for lunch or latch key bills on registration nights. We had been running this to let you know for several weeks before school let out but we wanted to send this reminder. Make sure you have cash to cover these charges. You will not be able to register your child/ren until all charges are paid for.

**Reason's for Five First Saturdays of Reparation:**

(As revealed to Sr. Lucia by Our Lord at Fatima)

**-Blasphemies against the Immaculate Conception.**

**-Blasphemies against Her perpetual virginity.**

**-Blasphemies against Her Divine Maternity, in refusing at the same time to recognize Her as the Mother of men.**

**-The blasphemies of those who publicly seek to sow in the hearts of children indifference or scorn, or even hatred of the Immaculate Mother.**

**-The offenses of those who outrage Her directly in Her holy images.**
